

THE CHRISTMAS BANANA: A NEW HOLIDAY TRADITION

Bring laughter and joy to your family this holiday and every year after with our printable Christmas Banana Ornament. Print and cut out the Christmas Banana Ornament then hide it within your Christmas tree. The person to spot it first on Christmas day gets to claim a special prize. Will the spotter get to open or give the first gift, choose which holiday movie to watch, or receive a silly prize? The options are endless! We've even included different "levels of difficulty" for eyes young and old. What new memories will your Christmas Banana Ornament spark?

The Christmas Banana

The stockings are filled, the tree all alight.

Wait- something yellow is peeking out!

Am I seeing that right?

"I found it, it's me!" I shouted with glee.

"I'm the one who spotted the banana in our tree!"

I like this new holiday tradition, it's silly and fun.

I can't wait till next year; I wonder then...

Who will be the one?!
