

# DIVERTITI E CREA I TUOI BLOCCHI FRUTTATI!

Costruisci in grande, gioca in modo fruttato!

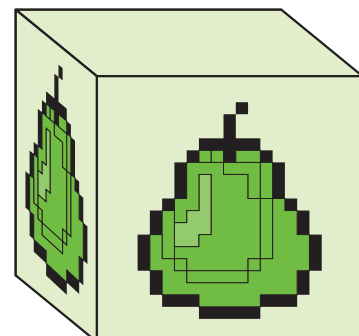

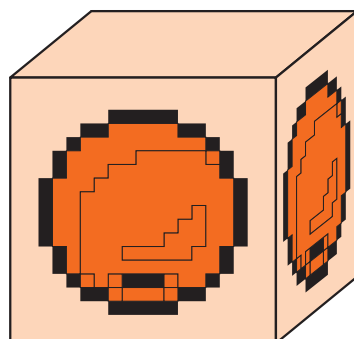

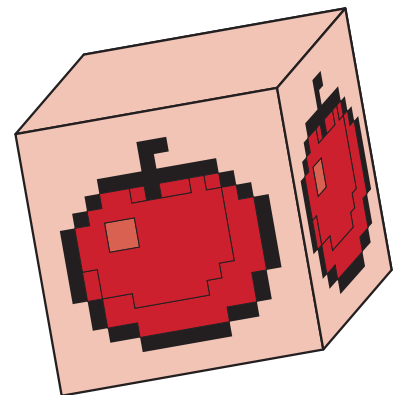

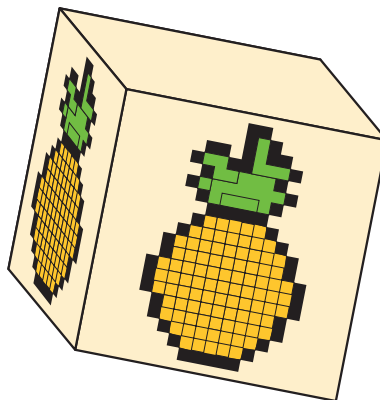

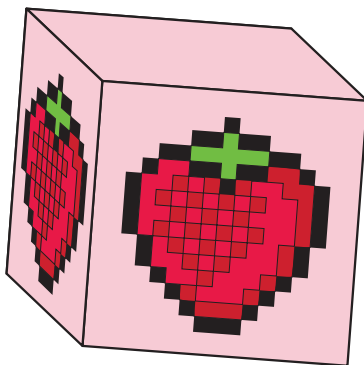

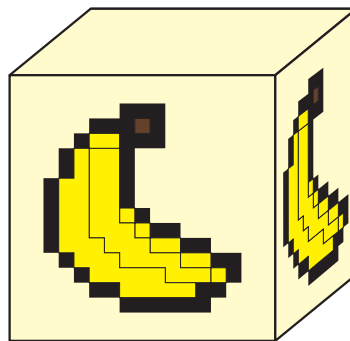

La creatività prende forma un blocco alla volta. Stampa, ritaglia e piega i tuoi mini blocchi di carta, ognuno con divertenti frutti in stile pixel, e dai vita a composizioni colorate e forme originali.

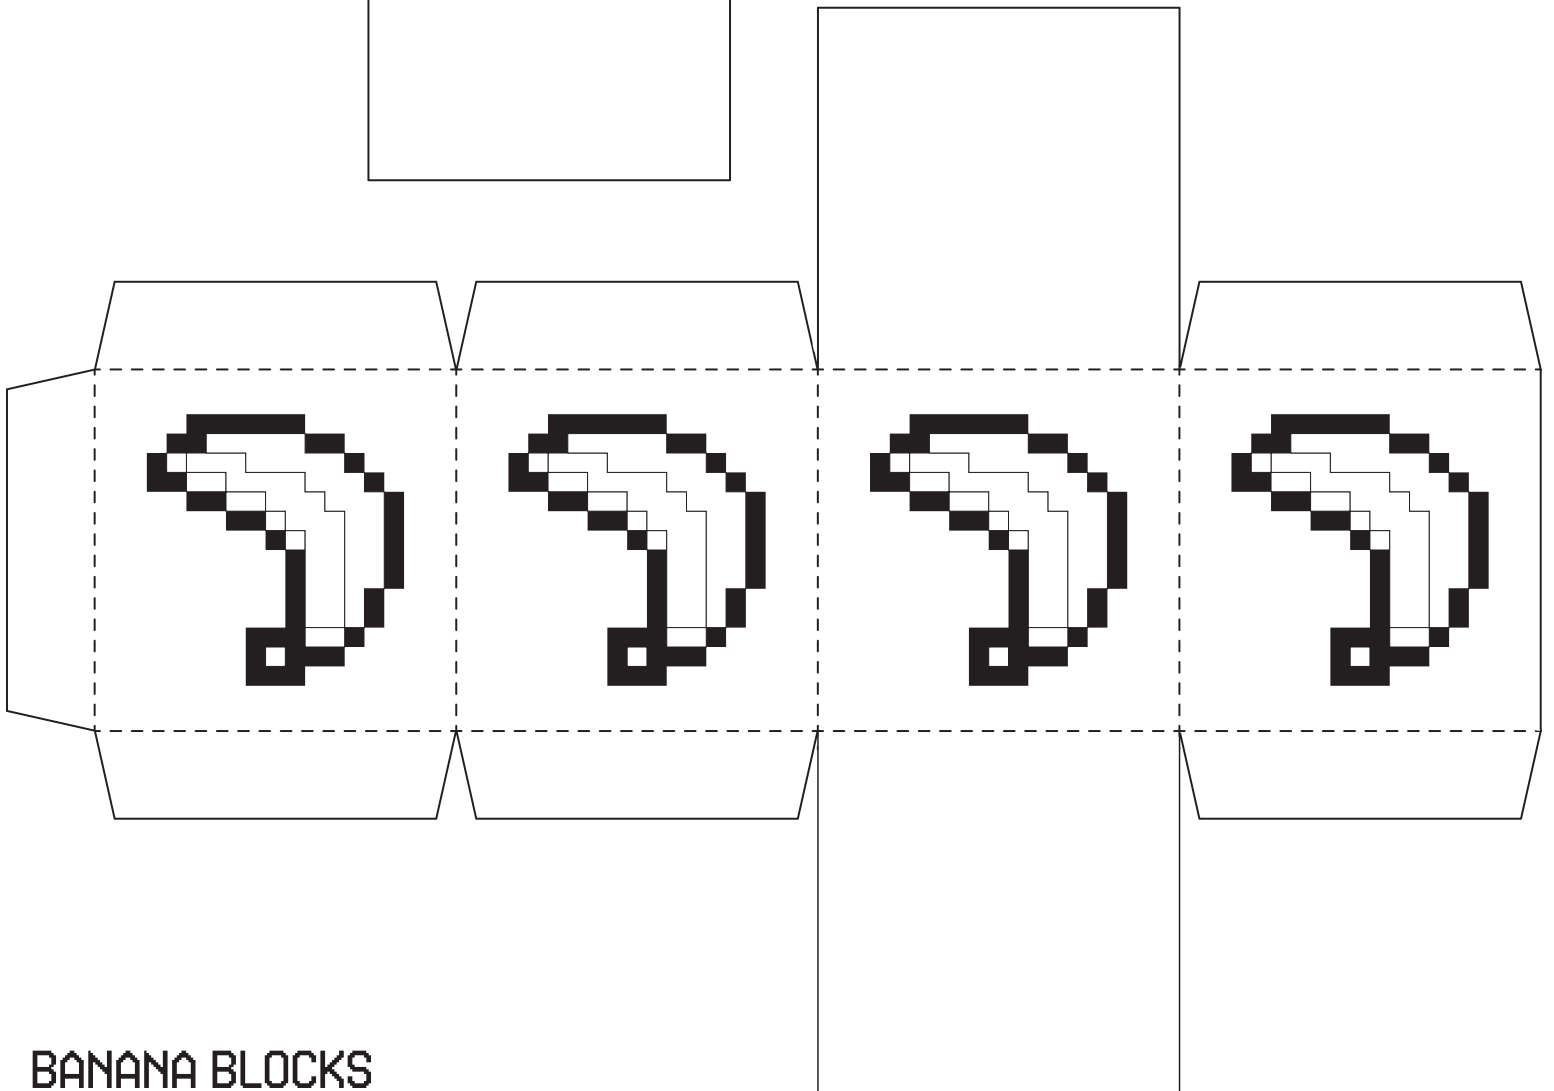

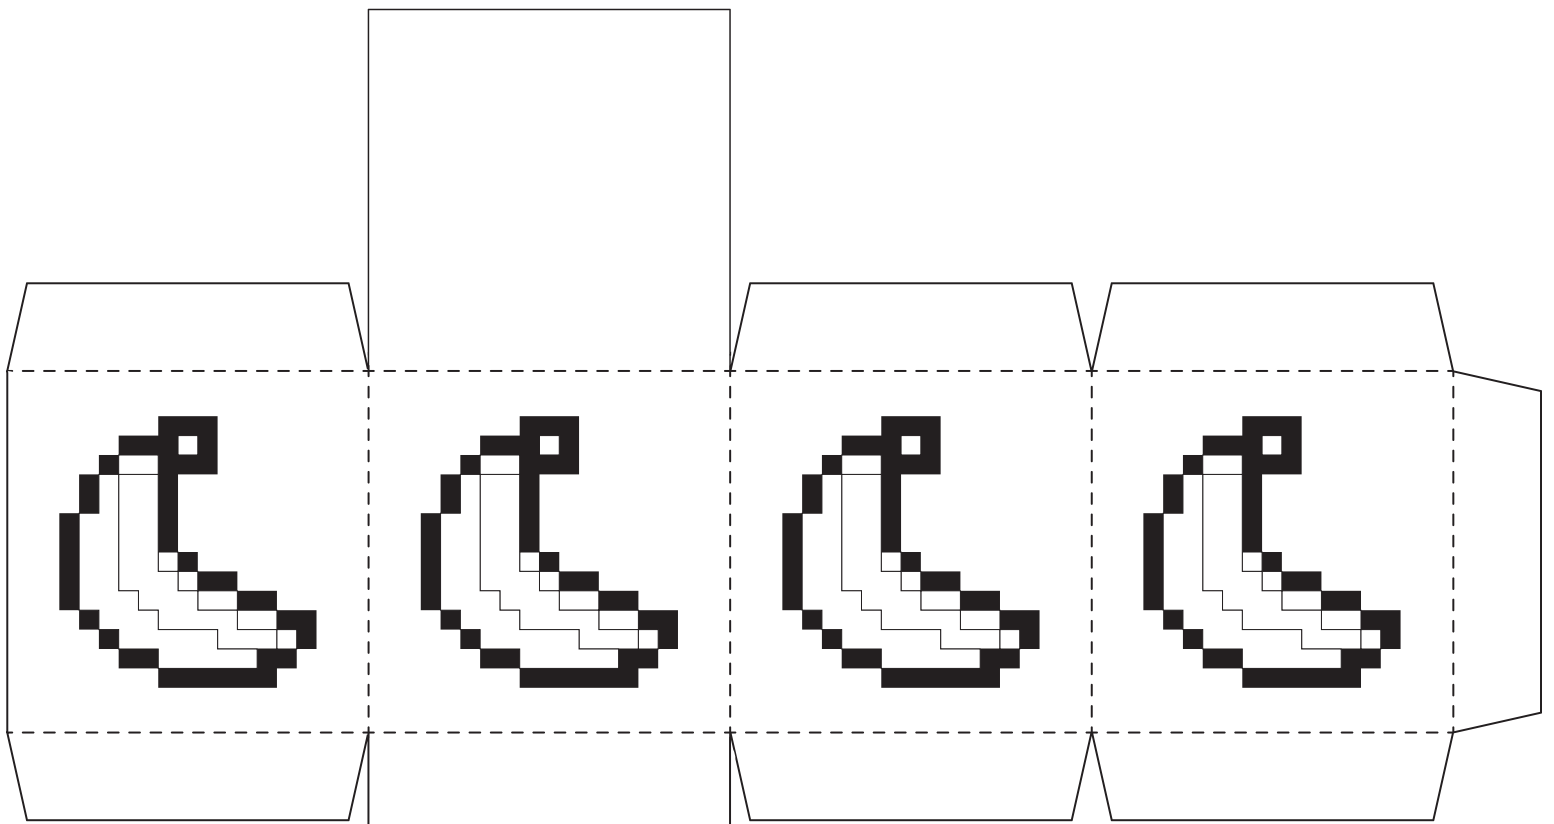

La pagina Building Block Blueprints ti offre tante idee giocose da ricreare - una banana, un ananas, un fiore, un albero, un cuore - oppure lasciati guidare dalla fantasia e inventa qualcosa di completamente nuovo. Perché quando crei con DOLE®, ogni blocco è un'esplosione di divertimento fruttato!

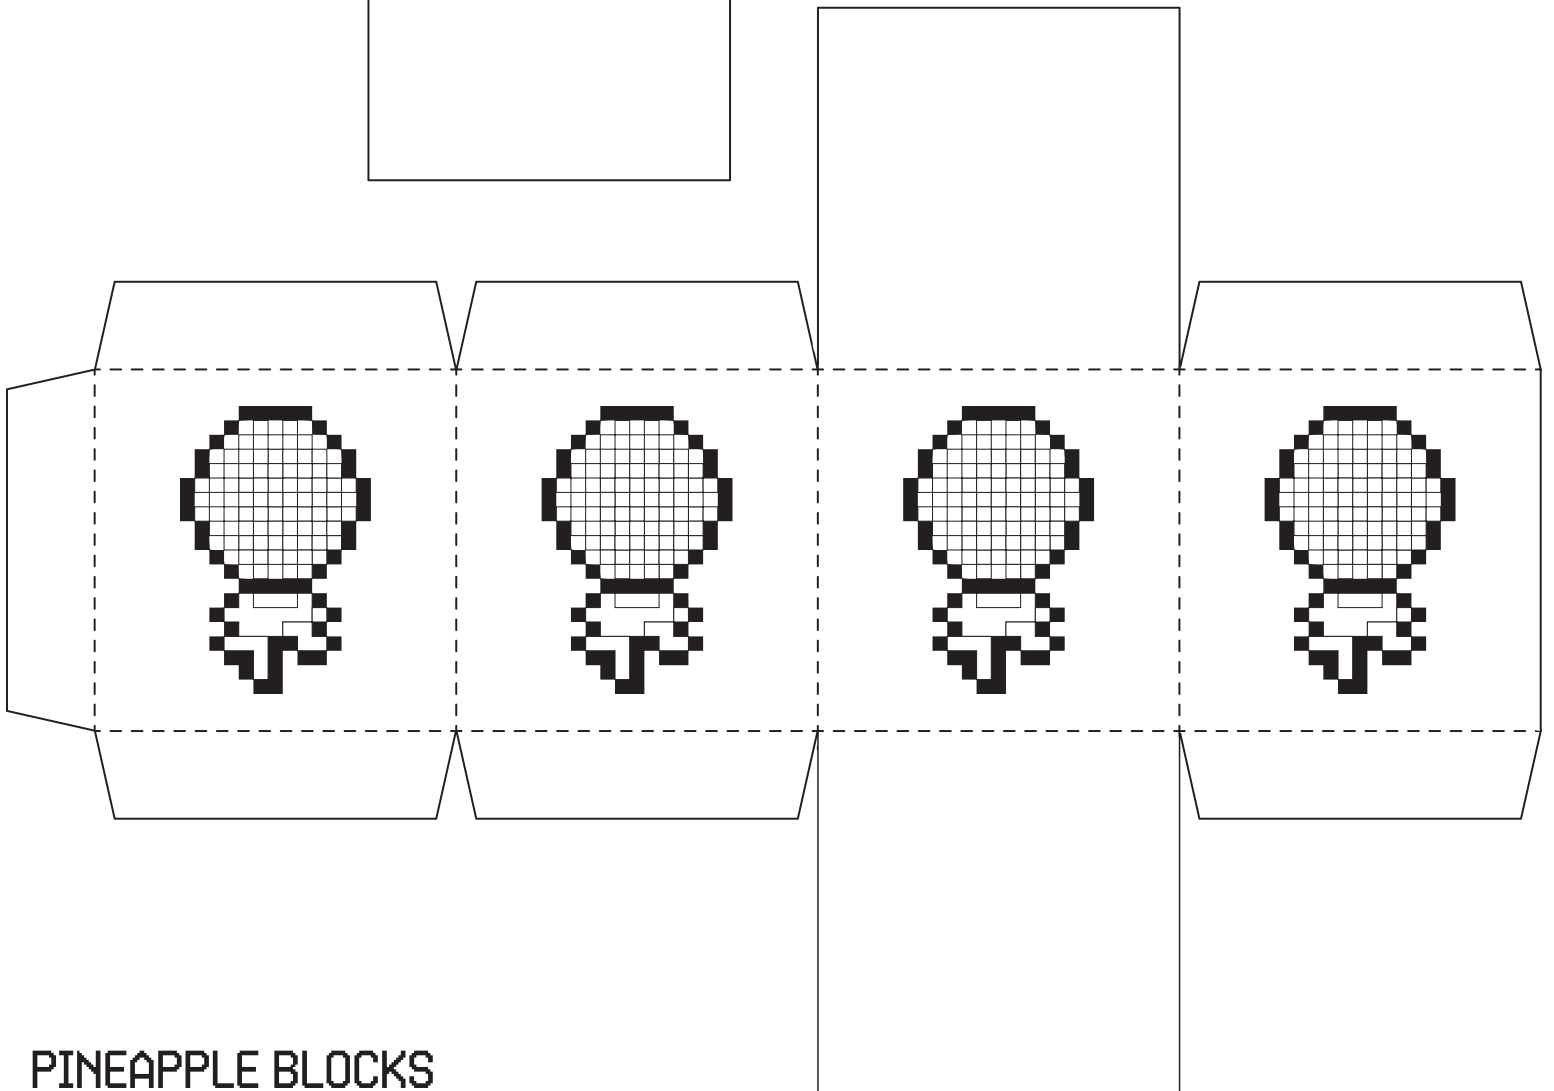

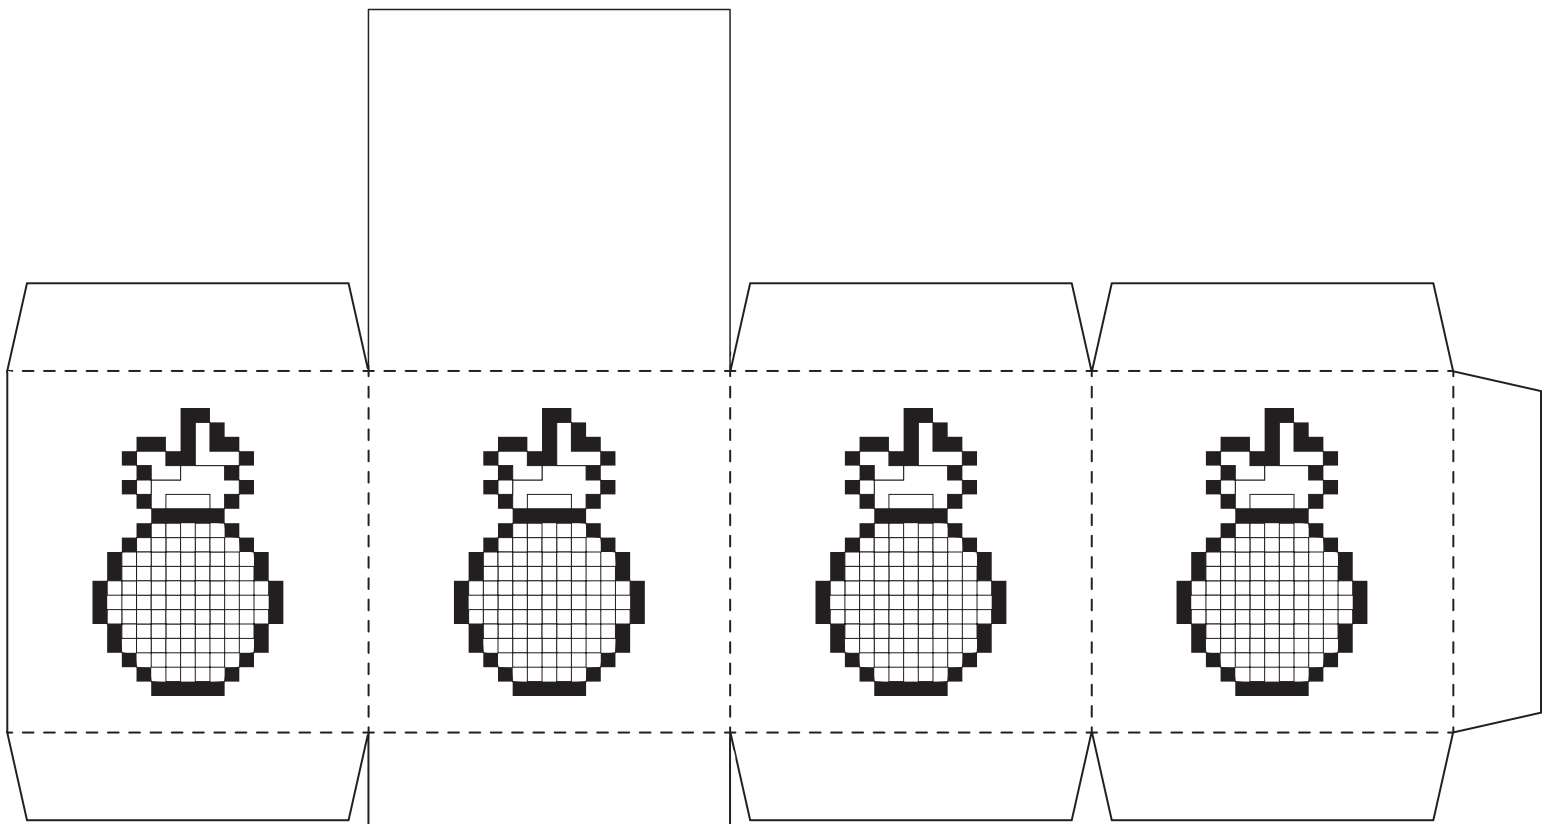

## ISTRUZIONI:

- 1 Taglia lungo le linee continue.
- 2 Piega lungo le linee tratteggiate.
- 3 Applica la colla o il nastro adesivo sui piccoli lembi.
- 4 Piega e premi i lembi verso l'interno per tenere il blocco ben chiuso.
- 5 Crea altri blocchi e inizia a costruire!
